NOTE.—The numbers for 1857, 1861, and 1871 are given exclusive of Chinese and Aborigines, in order to compare with the previous Censuses, when there were either no Chinese, or scarcely any, in the colony, and when the Aborigines were not enumerated. The numbers of unspecified ages are distributed *pro rata* among those at the various specified age periods. In cases where a decrease has taken place, the minus sign (—) is prefixed to the numerical and centesimal decrease.
